AWARE AFFAIR

An Artful Evening

OF ADVOCACY
FIGHTING ALZHEIMER'S

January 2023

Dear Friend of AWARE:

At some point in your life, you or someone you know will be affected by Alzheimer's disease. Every year Alzheimer's disease kills more than breast cancer and prostate cancer combined and affects one out of every three seniors. This disease robs a person of their memories, their personality, the use of their body and eventually their life. Alzheimer's is not only a burden on the patient, but also on their family, caregivers, our government, and our nation's health care system.

Since 1989, AWARE has worked to ease the impact of Alzheimer's disease on individuals and their families. More than **\$14 million** has been raised and returned in grants to worthy organizations in Dallas and the greater North Texas area who are working to help those living with Alzheimer's. These grants are given in the areas of Alzheimer's research, services, education, programs, and resources to both patients and those caring for a loved one with Alzheimer's.

Many of those living with this devastating disease struggle with the stresses of isolation, confusion, and the need for care. Many of the agencies we support struggle with the needs they face in providing their services to ever growing numbers of individuals and families. *Please join us in giving them hope and help by donating to the auction!*

On **Friday, April 14, 2023** at **LIGHTHOUSE ARTSPACE**, we will be joined by Honorary Chairs **Taylor Hearn** and **Venise & Larry Stuart**, and other friends of AWARE for the 32nd annual AWARE fundraiser. Net proceeds from AWARE Affair will be used to further our support of local organizations fighting on the front lines of Alzheimer's disease. ***An Artful Evening of Advocacy Fighting Alzheimer's*** promises to be an evening of inspiring art, sounds, culinary delights, and camaraderie.

Enclosed is the Auction & In-Kind Donation Form. Your important auction donation is appreciated and will aid AWARE in the fundraising efforts to provide hope and help to those individuals and families living with Alzheimer's in our community. We are grateful for your generosity and would appreciate your response on or before **Friday, March 24, 2023**.

For questions, please contact **Amanda Widlund** at **224.289.6461** or email **awareaffair@hasevents.com** or more information. You may also visit **www.AWAREDallas.org** to learn more about AWARE.
